INTRODUCTION

Saputara is a hot favorite hill station of Gujarat state and a year-round vacation spot. A small hamlet in mid-range of dang forests and Western Ghats.

In monsoon and winters Saputara offers the magnificent atmosphere like a heaven spot. Over the weekend, it attracts a large number of people who come in search of good weather, curvy roads for driving, hiking, magical climate changes, sightseeing, and eateries with views of lush vegetation and lovely waterfalls.

If you are visiting Saputara, there are various tourist places to explore with your loved ones, from animal parks to religious monuments. This hill town also contains a few historic structures that are quite old.
